Recommendation Rec(2001)19

Recommendation Rec(2001)19 of the Committee of Ministers to member states on the participation of citizens in local public life

"Accord major importance to communication between public authorities and citizens and encourage local leaders to give emphasis to citizens' participation and careful consideration to their demands and expectations,

***Adopt a comprehensive approach** to the issue of citizens' participation, having regard both to the machinery of **representative democracy** and to the **forms of direct participation in the decision-making process and the management of local affairs.**"*
